During the last few years the love of Music has spread so rapidly amongst all classes, that the period seems to have arrived for the issue of a cheap publication which shall embrace all the qualities requisite for the full enjoyment of this delightful art. The great success which has attended the cheap reprints of literary works has induced the Publishers to turn their attention to the carrying out of similar results with regard to the popularising of music; and they feel confident, from their long experience in the matter, and the large number of valuable Copyright Works at their disposal, they shall be enabled to do this, not only to the satisfaction of the Musician and the Musical Amateur, but that, by placing a fine collection of Music (hitherto attainable only at a large cost) at a price within the reach of all classes of purchasers, they shall confer a boon on the public which cannot fail to be recognised.
